Map of the Thirteen Colonies

NAME: _____ DATE: _____

As you learn about the thirteen colonies, add information to the map below. First, color code each of the boxes in the key. Then, as you learn about each colony, list it under the correct heading, color in the colony on the map, and label it with the postal abbreviation of the current state.

The map shows the outlines of the thirteen colonies along the eastern coast of North America. A compass rose is located to the west of the colonies. To the right of the map is a key with three sections: 'New England Colonies', 'Middle Colonies', and 'Southern Colonies'. Each section has a small square box for coloring and several horizontal lines for listing colony names and their postal abbreviations.

<input type="checkbox"/>	New England Colonies

<input type="checkbox"/>	Middle Colonies

<input type="checkbox"/>	Southern Colonies
